

South African Geomatics Institute Trust

Trust No: IT 614/2011/PMB : 2011-05-27

Bursary Application

WHAT IS THE SOUTH AFRICAN GEOMATICS INSTITUTE?

SAGI is a voluntary organization for registered persons working in land surveying, engineering surveying, town planning, photogrammetry, remote sensing, geographical information systems & land management.

Surveyors have been around since the earliest recorded times and undertook small to large scale projects, some with the most extreme engineering of its day. SAGI epitomizes this most noble profession and its constantly evolving dynamics in the survey industry.

South African surveyors are recognized the world over as being of the highest standard, a trait we continue through our SAGI activities and membership requirements. All SAGI members are committed to providing a good professional service and we welcome your interest in pursuing a career in the Geomatics industry.

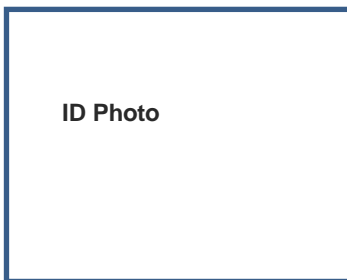

The South African Geomatics Institute Trust has been formed to assist students in the Geomatics industry with bursaries. Bursaries are granted on a once-off basis with no guarantees of future financial assistance.
